Electronics & Communication Engineering

## Career Objective

To obtain a challenging position in the field of Electronics & Communication Engineering where I can apply my technical knowledge, enhance my skills, and contribute to innovative projects that advance technology and solve real-world problems.

## Education

COURSE	INSTITUTE	BOARD	PERCENTAGE	PASSING YEAR
B.Tech -Electronics & communication engg	Sir C R Reddy college of engineering (Eluru)	JNTUKakinada	7.22	Pursuing (4th year )
MPC (Mathematics, Physics, chemistry)	Sri Sarada junior college (Nuzvid)	Board of Intermediate Education	84.4%	2022
10th class	St. Thomas High School (Nuzvid)	Board of Secondary School Education	95%	2020

## Internships:

**CNS (Communication, Navigation & Surveillance)** (Offline) | Airports Authority of India, Visakhapatnam Airport | Gained hands-on experience in CNS systems, radar technologies, and air traffic operations aligned with ICAO/DGCA aviation standards. [june,2025]

**VLSI** (Online) | Skilldzire | [MAY,2025]

Interned in VLSI design using Verilog HDL, gaining hands-on experience with UART, FIFO, FSM, and digital simulation.

**PYTHON** (Online) | BIST PVT.LMTD | [june,2024]

Practical experience in Python programming with focus on automation, data handling, ML basics, and version control.

## Skills

- Programming & Software:** C, Python Programming, Basics in HTML & CSS, Microsoft Suite, Canva
- Professional:** Leadership, Event Organization
- Soft Skills:** Communication, Team work

## Project

- Community Service Project:** On Agriculture, surveyed local farmers to study agricultural challenges.

## Extra-Curricular Activities

- Participated and volunteered in various workshops & events conducted by the college and IEEE
- Student ambassador for IEEE Xtreme 19.O

## Membership & Leadership

- IEEE Membership and Chair Person for IEEE WIE affinity group
- IETE Membership and worked as a Body Member for IETE
